PERSONAL STATEMENT

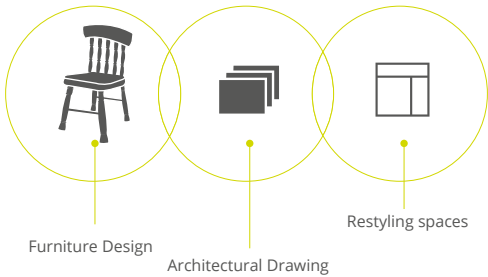

I am a 27 years old Interior & Freelance Designer from Puebla (Mexico). I love everything that has to do with Design & Furniture development, Graphic design, Materials, Retail spaces... and I feel a true devotion for remodeling places and give them new and different purposes.

I have almost 5 years of experience working as a freelance designer on different projects from interior, to graphic and furniture design.

I love working with people, specially if they have the same passion I have for what they do.

Why don't we work together? Go futher down to see why I am the person you need to hire!
